**CHALLENGE:** Find a way to meet a need for someone

## MONTHLY CHALLENGE:

For each week in the month of July, find a way to meet a need for someone who isn't a believer so they might see Christ in you. This requires that you be watchful for someone who has a need, but it is easier than you think when you pay attention! Serve someone humbly and without expecting anything in return. It would be great if your action opened the opportunity for conversation about the gospel, but serving in love is the ultimate goal. Earn the opportunity to share the gospel.

## INSPIRATION:

- Who has mentioned a task that they keep putting off or that they're dreading? Can I offer to help or make it fun?
- Can I mow a neighbor's lawn or offer to help with yard work?
- Can I take a meal to someone who could use it? Anyone who has had a baby or dealing with health issues? Who is in a season of busyness or struggle?
- How can I use service as a vehicle for conversation and getting to know someone?
- How can I prepare myself to be on the lookout for people to help and make conversation? What do they do? Do they have a church home?
