## CHALLENGE: Invite someone to a church service or event

### MONTHLY CHALLENGE:

For each week in the month of October, take the time to invite someone who doesn't have a personal relationship with Jesus to a church service or event. While it might feel intimidating, use the knowledge and relationship you have built up with those in your circle to invite them to an event or service that you think would be beneficial to them or speak to them and their spiritual journey. Even if they end up being unable to make it this time, at least they know you care enough to invite and include them.

### INSPIRATION:

- Consider their interests: Choose an event or service that aligns with what they and their family would genuinely enjoy.
- Plan ahead: Make sure any necessary logistics are taken care of to make attending easy for them. Do they need to register? Do they need a ride?
- Be a welcoming host: Arrive early to greet them, help them get plugged in, and ensure they feel comfortable.
- Show God's love: From the invitation to the event and beyond, be patient, kind, and intentional in making them feel valued.
